ADDENDUM "D"

SUGGESTED "BUY/SELL" LETTER

Adjoining Property Owner
Street Address
Wantage, New Jersey

Re: **Block** _____, **Lot** _____

Dear Adjoining Property Owner:

I own a lot adjacent to your lot and am applying to the Wantage Township Land Use Board for a variance to construct a single-family residence. In this case, our lot is undersized under the current Wantage Ordinances.

The purpose of this letter, in addition to the variance notice which you will be served with, is to inquire whether you have any interest in either: (a) purchasing this lot at its fair market value as a building lot (which assumes the variance has been granted), or (b) selling additional land to us in order to make the lot conforming or more conforming.

You should be aware that in the event you purchase the lot as a building lot at its fair market value, it would have to be merged with your lot and not remain a separate buildable lot. It is important to emphasize that the price we would be entitled to request would be a building-lot price and not mere raw acreage.

Nevertheless, the purpose of this letter is to inquire of you as adjoining property owners of your interest in the matter and if you have no interest in buying or selling as described above to let the Board know your position. Would you please indicate on a copy of the letter enclosed your position with respect to this letter, which I will provide to the Board.

Very truly yours,

_____, Applicant
