DISCUSSION OF CORRESPONDENCE

NEW BUSINESS

The Board discussed charging Second Home Child Care for a Food Handler's License. The daycare does not provide lunch, it refrigerates lunches brought in by the children. It does have some food on hand in case a parent forgets lunch. The Board decided since the inspector has to inspect the premises for day care reasons, and it does not provide lunch a Food Handler's License is not necessary. Mrs. Granata made the motion that there would be no charge unless there is a change in the food operation. Mr. Holley seconded the motion. Ayes: Braunwell, Granata, Holley, Lindsay and Ranzan.
