The Honorable James E. McGreevey  
Office of the Governor  
P.O. Box 001  
Trenton, New Jersey 08625-0001

Dear Governor McGreevey:

The Township Of Wantage respectfully directs your attention to the enclosed copy of an article, which appeared in the Star Ledger newspaper, in their edition of Sunday, June 8, 2003. Specific attention is warranted regarding the fact that the High Point Monument "marks New Jersey's highest elevation above sea level -- 1,803 feet at the base of the monument -- and was dedicated as a memorial to veterans".

The Mayor and Committee of the Township of Wantage wholeheartedly embrace the need for the State of New Jersey to give its immediate attention to the completion of the renovation project for the High Point Monument.

The need to address a "Budget Crisis" actually translates into the need for "budget prioritization". The Mayor and Committee of the Township of Wantage believe that the completion of the renovations at High Point Monument deserve the immediate attention of the State of New Jersey, as a top priority.

Please assist the citizens of the State of New Jersey, by addressing the completion of this project. Your kind attention to the needs of the people is greatly appreciated.

Yours Very Truly,

James R. Doherty,  
Administrator Clerk
