READING OF REPORTS

County Health Department	January 2013
Sanitarian Michael Plaza	January 2013
Registrar	January 2013
Secretary	January 2013

Mr. Plaza read the County Health Reports:

Wantage Citgo extended the well casing and a raw water spigot was installed to comply with the NJ Safe Water Drinking Act.

Kidde Academy and Sweeney Second Home also installed raw water spigots.

Blackstone Pub & Restaurant's water tested positive for coliform. They did not have the proper signs up regarding the infraction. They are working with the state regarding use of bottled water and sign postings.

A septic bed was denied at 95 Lower Unionville Road.

A septic review was denied at Block 12.01, Lot 13.01. The design indicated it was near a well.

NJDEP received a complaint from an ex-employee of Mr. Tarrent of 61 Newman Road. The ex-employee claims he was told to bring waste onto Mr. Tarrents property and bury it.

Laser One received a Satisfactory Rating.
